## Go Prepared with Vacation Rental Insurance

### Vacation Rental Insurance Can Help

Vacation rental insurance from Generali Global Assistance provides coverage for a variety of weather-related complications you might run into while traveling, particularly during hurricane season, such as flight delays or cancellations, road service interruptions, interruptions of essential services at your vacation rental and mandatory hurricane evacuations. Terms and conditions apply.

*Note: Once a hurricane is forecasted or it becomes evident that a storm will impact travel to the vacation rental or surrounding area, the event is considered foreseeable. This means the insurance plan can no longer be purchased to cover losses from that specific storm.*
